However, this will give you a clearer idea of your child's studies, so that you can help them at home by talking through key ideas and perhaps visiting the local library, taking them on related trips or giving them the opportunity at home to undertake practical maths activities like measuring, cooking or using time or money. Working together we can make a difference for every child.</p>	
<p><u>Geography</u></p> <ul style="list-style-type: none"> • Map skills • Understanding human and physical features of the Forest of Dean and Weston Super Mare • Comparing features of a place and their uses. • Identifying how humans can damage or improve the environment they live in. • Understanding the process of coastal erosion. • Ask questions to investigate a place and draw conclusions from a survey. 	<p><u>Design Technology</u></p> <p>Ice cream! Designing and making ice creams of specific flavours for our enterprise project.</p>			

The value for this term is Trust.
