

Science:

- How can we change the pitch and volume of a sound?
- What affects the volume and pitch of different sounds?
- How are sounds created?
- What are the effects of gravity?
- How do forces slow things down?

History:

- Recognise the changes in musical technology.
- What were the different types of musical genres?
- How did music influence fashion?
- Who were the Beatles?
- Use primary sources to identify the musical era.

Geography:

- How can I use the eight points of a compass?
- How can I use four figure grid references?
- How do I use these skills to use an Ordnance Survey map?

Computing:

- How do I use Scratch software to create my own computer game?

Religious Education:

- How do religious families practice their faith and what difference does it make?

Art:

- Pop Art inspired by the artist Roy Lichtenstein.

Design Technology:

- How can I create my own clothing to represent a period in musical history?

Music:

- Can I sing in tune and with expression?
- Am I able to describe the music I sing?
- How can we create musical accompaniments?

French:

- How do I ask for things in French?
- Can I describe the weather in French?

LITERACY

Traditional Stories
Poetry
Plays
Fictional Biographies

Mathematics

Number
Statistics
Problem solving
Fractions
Geometry

P.E:

- How can I improve my batting technique?
- How can I catch and throw with accuracy?
- How can I improve my running and jumping skills?
- Can I evaluate and improve my performance?

This is not a comprehensive list of everything that is covered. For example, your child will be engaged in daily reading and spelling activities and this term there will be a big focus on learning their multiplication tables. However, this will give you a clearer idea of your child's studies, so that you can help them at home by talking through key ideas and perhaps visiting the local library, taking them on related trips or giving them the opportunity at home to undertake practical maths activities like measuring, cooking or using time or money. Working together we can make a difference for every child.
