- Drawings of shield
- 3D sculpture shield

Music:

- Time.
- Musical focus: Beat
- In the past
- Musical focus: pitch

P.E:

- Gymnastics
- Football/ Rounders

ENGLISH & MATHS

English

Instruction Writing

- Myths and Legends
- Non-Chronological Reports
- Shape poems

Maths

The children will cover the following elements throughout the year:

- Number
- Recall of multiplication and division facts for 2,3,4,5,8 and 10 times tables
- Measurement
- Geometry

French:

- Numbers
- Colours
- Easter vocabulary (poem)

This is not a comprehensive list of everything that is covered. For example, your child will be engaged in daily reading and spelling activities and this term there will be a big focus on learning their multiplication tables. However, this will give you a clearer idea of your child's studies, so that you can help them at home by talking through key ideas and perhaps visiting the local library, taking them on related trips or giving them the opportunity at home to undertake practical maths activities like measuring, cooking or using time or money. Working together we can make a difference for every child.
